DEAR Mr.Madhava Rao,

I am in receipt of your D.O. letter No.246 dated the 25th Instant about the promised donation of Rs.20,000/- by Mr.A.S.Rangaswami Iyengar towards the Cheluvajammanni Hospital, Mysore.

In the plans of this new building, I find that there are two wards on the first floor, each having an accommodation of 12 beds. I would propose that the donation may be accepted, and these two wards may be named as "Seetha Ranga Wards".

As regards the other conditions, these two wards are general wards where poor people of all classes are admitted for treatment without any distinction. These two wards are quite self sufficient.

As there will be only a Board of Lady Visitors to this Institution, one of the Lady members of this gentleman's household may be appointed on the Board; but as regards the consultation from time to time, I may explain that the administration of the wards is purely a Departmental matter and once the wards have formed part of the Institution the question of individual consultations can possibly have no place. Rs.3000/- if invested in Government Securities would fetch about Rs.100/- per annum which would be quite inadequate for meeting all the comforts to patients proposed by the donor. As the Department looks to all these things, the entire sum of Rs.20,000/- may be utilised exclusively for the proposed buildings.

I would however point out that no provision has been made in the plan of the Cheluvajammanni Hospital for an Out-patient Block like the one attached to the Vani Vilas Hospital, Bangalore. A separate Out-patient Block attached to this Institution is an absolute necessity and I would suggest the desirability of constructing a separate block in the vacant land to the west of the proposed Hospital building, similar to the "Parvathi Chandrasekhara Dispensary"

P.T.O.

Dispensary" from out of this donation, and name it as "Seetha Ranga Out-patient Dispensary". This would be a separate block of buildings exclusively named as per the donor's wishes.

4. out of Rs 20000/- a sum of Rs 3000/- must be invested in government Securities the interest that it fetches every year must be used to give all facilities and comforts to the poorest classes — Cots, beddings, feeding, purchase of costly medicines and injection Tubes that are prescribed but owing to helplessness the patients are not able to purchase and thus suffer immensely.
5. The wards must be self sufficient.
6. I or my heirs must be made as one of the Trustees or Visitors to the wards.

Dear Sir,

With reference to the Memorandum given by you to the Dewan offering on certain terms a donation of Rs.20,000 for the construction of the new Chaluvajammanni Hospital for Women at Mysore, I am desired to say that Government thank you for the offer made and would make the following suggestions re: the terms proposed:--

(1) In the plans of the new buildings proposed to be constructed, there are two wards on the first floor, each having accommodation for 12 beds. These two wards could be named Seetha Ranga Wards, as proposed by you. These two are general wards where poor people of all classes will be admitted for treatment without any distinction.

(ii) There may be a Board of Lady Visitors to this institution, and a Lady Member of your household may be appointed to the Board. It is felt inconvenient to accept the proposal to consult you or your heirs from time to time about the administration of these wards, as such administration will be purely departmental matter. Once the Wards form part of the institution, there would be no occasion for such consultation.

(iii) The sum of Rs.3,000 proposed to be invested in Government securities would fetch

(18

interest of about Rs.100/ per annum which would be inadequate for meeting all the comforts ~~to~~ required by patients in the Wards. As the Department provides for all such comforts, I am to suggest that your entire donation of Rs.20,000/- may go exclusively for the buildings.

3. As an alternative, I am to suggest, that as there is no provision in the present estimates for an out-patients' dispensary in the building proposed, your donation may be utilised for the construction of a separate out patient block in the vacant land to the west of the proposed Hospital Building this block of building being named Seetha Ranga Out-patient Dispensary.

On receipt of your reply agreeing to either of the above alternatives, formal orders of Government will issue in the matter.

Yours sincerely,

Dear Sir,

Your D.O. No 8096 Med dated 14/15 April 37 to hand relating to my donation of Rs 20000/- for the Construction of the new Chalavajamani Hospital for women at Mysore. I feel glad for the suggestions made in the D.O referred to above. After consideration I have decided that my donation may be utilised to have an independent out patients' dispensary (Separate) and be named "Seetha Ranga out patient Dispensary"

I am happy for the above suggestion. In Case of a Board of lady visitors to be nominated to the above Institution, I shall be glad if my daughterinlaw or my grand daughter be nominated.

I request that for my heir may be given an opportunity to visit the Institution for purposes of Self Satisfaction. I shall furnish further particulars later on. I shall be entirely guided by the generous Government. It is always agreeable to me to do what is desirable and practicable. I thank you once more for the happy suggestion to have an "out patient dispensary" Isolated from the main Institution It will serve a very useful purpose

Thanking You much in anticipation and hoping that an early order will be passed in the matter,
